

RefectoCil Blonde Brow bleaching paste

Description

With Blonde Brow eyebrows can be lightened up to 3 shades. For naturally blonde styles!

- Naturally blonde brows
- Helps with tinting grey or bristly eyebrows
- Enables tinting dark brows in light hues
- Smudge- and waterproof
- Lasts 6 weeks

Usage (for professional use only) :

STEP 1: Preparation

- Cleanse the eyebrows effectively with our [RefectoCil Micellar Eye Make-up Remover](#). Eyebrows must be clean, oil-free and dry.

STEP 2: Mix & Apply

- Mix 2 cm paste + 20-25 drops [Oxidant 3% cream](#). Mix at least 2 minutes until the paste becomes creamy.
If it is not creamy enough, add some more drops of Oxidant cream.
- Afterwards apply to the eyebrows

STEP 3: Application time

- Application time: depending on the desired lightning effect: 5-20 minutes
- 5 minutes: one shade lighter
- 12 minutes: two shades lighter
- 20 minutes: three shades lighter

STEP 4: Ready!

Remove bleaching paste with [RefectoCil Micellar Eye Make-up Remover](#)

Ingredients:

Paraffinum Liquidum, Ammonium Persulfate, Potassium Persulfate, Sodium Silicate.
